

# Carrington 2020 Tree Replacement Program

**Participants:** Property owners within city of Carrington

## **Elements of Program:**

- City of Carrington Tree Board will reimburse participants \$100 for removal and \$50 replacement of Ash trees (purchased on their own or residents can obtain a tree from the City's bulk order for spring planting)
- List of removal contractors is available from City Hall
- Participants must comply with proper planting and maintenance of tree; instructions will be available from the Tree Board
- To qualify, trees must be removed and replanted on boulevard (public property)
- Species selection should match size of boulevard (minimum 4' wide; large-statured trees require a wider boulevard)
- Select from recommended species list available at City Hall to ensure reimbursement
- Participants must show proof of removal (invoice) and proof of tree tag to confirm approved species
- Plantings of potted trees can be successful all season – but the program is on a first come-first served basis
- Contact Jennifer Gast, City Auditor, or Jason Wolsky, Public Works Director, at City Hall for more information or to express interest in participating in this program : 652-2911
